### Looking For Newsletter Articles

*Are you working on a new kit or homebrew project? Have you recently received a rare or interesting QSL card? Received a new DXCC award or band endorsement? Or just have a cool photo (ham radio related) or some soap box comments to share with other club members? Why not consider submitting an article for the Newsletter..*

*We're always looking for material for the Newsletter and feedback from club members goes a long way towards keeping the Groundplane interesting as well as stamping our Club's "personality" on our monthly publication. Articles can be submitted electronically or on paper, whatever you feel comfortable doing. As SBARA's Newsletter editor, I particularly look forward to putting a new edition together when I have material submitted by members.*

*Thank you!  
Bill, WB9YVM*

*hamradio@comcast.net*

## SBARA Meeting Location

Our meeting location is at Hurricane Electric.

The address in Fremont is:

760 Mission Court — Come to the meeting.  
Bring your HF transceiver, antenna) or HT !

Talk-In 147.015Mhz. +600

Also consider joining us at Wok City Diner  
for Dinner at 6PM

Mingle with your fellow SBARA members  
and Guests!!!!

The **South Bay Amateur Radio Association** is a general interest amateur radio club serving the Fremont Tri-City area. The club has been in existence since 1974, and has functioned continuously ever since. We are an ARRL Special Service Club, a California not-for-profit tax exempt organization as specified in IRS Stat-

utes. We sponsor training for new hams, license examination sessions, and participate in various public service events. If you have a specialized amateur radio interest, chances are you can share it with one or more of our club members.

SBARA meets on the 2nd Friday of every month at Hurricane Electric in Fre-

mont, California. The meeting begins at 7:30 PM. After conducting business, coffee and snacks are served while we socialize. Following the break, a program of interest will be presented. All persons interested in amateur radio are invited to attend. Families are welcome. We hope to see you there!
